

Dear Motoring Enthusiast,

The Riverland Vintage and Classic Car Club invite you to join our “Loxton Historical Run” on October 26th-28th 2024.

The organizing committee has planned an exciting weekend featuring some time in the Loxton Historical village and a run through the mallee to an extensive car and vehicle collection. You will be impressed by our country hospitality and overwhelmed by our organization skills and the sheer size of the collection.

A very small part of the run will be on an unsealed surface (5kms) but the road is sound and will cause no problems.

Accommodation is always limited and we would advise you to book ASAP if you intend to come. Details are included with this letter.

We are looking forward to your company and to view your vehicles at the “Show and Shine”.
